Aug. 27th
Expectation Night
5:30-7:00

Sept. 2nd
Labor Day-No School

Sept. 6th
Back to School BBQ
5:00-7:00

REMINDERS

Third graders have snack in the morning. Be sure to pack a healthy snack for your child.

JUST A NOTE

A separate note will be coming home explaining the spelling and word study routines for the first module.

WHAT WE'RE LEARNING

Reading: We will read the texts "Location, Location, Location" from *The Lemonade War* and "The Case of the Gaspig Garbage". While we read these texts we will practice identifying how an author describes characters and explains how their actions contribute to the story. Students will deepen their ability to recognize key ideas and details in a text.

Writing: Over the next couple weeks our big focus will be on narrative writing. Next week in their writing, students will establish a situation and introduce a character. They will identify and use nouns in their writing as well as be able to explain the function nouns.

Math: We will begin Unit 1 next week. You will see Home Links start to come home. All Home Links are due the following day.

Science: We will learn about the Scientific Method.
