It was so nice to see everyone at expectation night;) I will e-mail the recording upon request if you could not attend.

Mrs. Goad

Next week we will be continuing to work on area volume. We will also review multiplication and long division. We will continue IXL Diagnostic.

Mrs. Sieger

ELA: Spelling List #2 Long Vowel VCV. We use Spelling City for both the pretest and the review. The link is in Google Classroom. Test on Friday. We will be continuing to read The Night of the Spadefoot Toad in ReadyGEN.

Mrs. Worden

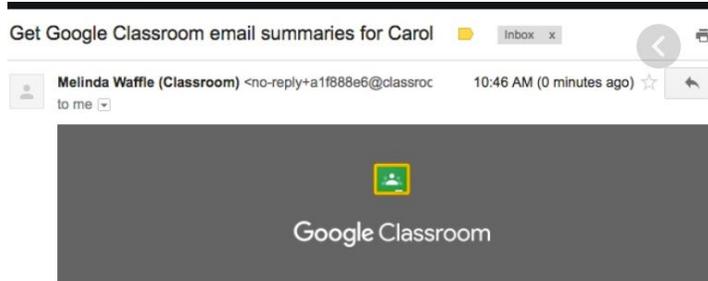

Thank you to everyone who was able to drop in for expectation night or touch base through email. It was so nice to see new and familiar faces, even if just through the computer screen. I sent an email with the slide show I reviewed if you couldn't make it.

Please let me know if you didn't get it! Your students are off to a great start!

Thank you for all you are doing on your end!

Students should be reading 20 minutes every school night. We will focus on Chapter 2 of Night of the Spadefoot Toads next week. We will continue to look at characters. We will continue learning about the suffix -ly and nouns. For spelling, we will be on List #2 which includes words with the VCV long vowel pattern. We did do a lot of assignments on Google Classroom, some graded, and some for practice. PowerSchool will be updated sometime this weekend and students can check in their Google Classrooms if they have anything they still need to turn in. Thank you!
