

Third Grade Times

Foghton Press

Nelson Prairie School

Sept. 4, 2018

Reading

This week, our text collection story is *The Case of the Gasping Garbage*. We will begin to understand characters' motivations and actions and explain how characters' actions contribute to and affect the sequence of events in a story.

Grammar

Our grammar skills are forming regular past tense verbs, forming and using simple verb tenses and forming simple sentences using regular verbs.

Phonics

Our phonics skill this week is spelling and using plural words by adding -s, -es, and -ies to the end of words.

Spelling

We will review and practice the Lesson 6-10 words this week and next. Please see the "Spelling and Vocabulary Words" tab on my web page for the Lesson 6-10 spelling and vocabulary word lists.

Writing

The students will work on narrative writing by writing about characters, establishing a situation, organizing their story's sequence of events and using temporal words and phrases.

Math

Our math skills this week include telling time, reading bar graphs and tally charts, and reviewing multiplication strategies.

Science

This week, we will learn how to be scientific observers and about the scientific method.

Specials Schedule

Friday- Music

Important Dates

NO SCHOOL- Monday, September 3rd

FYI

There will NOT be a spelling test Friday, September 7th.

Shout Outs

Thank you for making sure your child completed the "When I grow up..." activity. I look forward to seeing a few members of our class featured each month of the school year!

I appreciate all parents that were able to attend Expectations Night! If you were not able to attend I did send my Expectations Packet home with your child for your review.

HAVE A GREAT LONG WEEKEND!
