**Week of September  
14th**

## Classroom News

During the next few weeks, teachers and reading specialists will be completing AimswebPLUS assessments with students. Your child may complete this testing during regularly scheduled Zoom lessons or the teacher may schedule a time to meet with your child during independent work or student support time. The testing should take approximately 5-20 minutes depending on the grade level.

AimswebPLUS assessments are formative and help our teachers know how to better teach your child. It is more important that your child completes the test to the best of their ability than that they get every answer correct. So that we can get a better understanding of your child's abilities, please don't restate directions, provide answers or clues, give indication of a correct or incorrect answer (nod, smile, etc.), or provide feedback to the teacher during the test (since many of the tests are timed). The teacher will provide this feedback to your child as needed and will make sure they feel reassured and successful. We ask that you please not screenshot or copy testing materials as they are copyrighted.

## Fine Arts Schedule

**Monday- P.E.**

**Tuesday- Art**

**Wednesday- P.E.**

**Thursday- Art**

**Friday- None**

## What Are We Learning in Social Studies:

We will be finishing our first lesson on  
how we get along at school. We will be  
starting lesson 2 where we will be  
learning why it is important to learn  
from each other.

## Helpful Tip of the Week:

Don't forget to keep practicing your sight words and  
email Dr. Hall once your child is ready to test!
