

OOPS!!

*I did not review for my quiz as much as I should have and vow to do better on my future quizzes. However, I understand that Mr. Hence needs to know that I'm reviewing and preparing for my **NEXT** quiz well IN ADVANCE to taking it. I also understand that I must have the activities listed below completed for the **NEXT** lesson and checked by Mr. Hence by the given dates. In addition, I know Mr. Hence doesn't have to spend his extra time trying to help me aspire to do better and take time out of class to check on me, so I appreciate that he cares. I must also have this slip signed by a parent and shown to Mr. Hence by the **NEXT** class period. These activities are **NOT** a review of the past lesson. These activities must be completed using the **NEXT** lesson's word list.*
