Classroom News

For math next Thursday could you please have 20 small objects in a bag for your child to use. Examples could be pennies, cereal, dry pasta, or Legos. Thanks!

Please don't forget to sign up for Class Dojo if you have not already. It's a great way to see what your child is earning points for through out the day!

Fine Arts Schedule

Week of August 31st

What We Are Learning in Reading:

Next week in reading we will be doing some letter/sound, vowel, and phonics review. I will still be getting the students used to their station/independent work time each day from 1:30-2:30. The following week we will be starting our Ready Gen reading curriculum as well as small group time during the 1:30-2:30 time slot.

What We Are Learning in Math:

We will finish reviewing some kindergarten skills early in the week and begin our Every Day Math curriculum. Homework will not be assigned for a few weeks still. We will be investigating the number line and exploring tools that we use while doing 1st grade math next week.

What Are We Learning in Social Studies:

We will be finishing up our internet safety this next week as well as learning about our monthly character ed pillar which is respect. We will start social studies the following week.

Helpful Tip of the Week:

Practice having your child write their first and last name with an uppercase letter only at the beginning of their first and last name. 😊
