Classroom News

During the next few weeks, teachers and reading specialists will be completing AimswebPLUS assessments with students. Your child may complete this testing during regularly scheduled Zoom lessons or the teacher may schedule a time to meet with your child during independent work or student support time. The testing should take approximately 5-20 minutes depending on the grade level.

AimswebPLUS assessments are formative and help our teachers know how to better teach your child. It is more important that your child completes the test to the best of their ability than that they get every answer correct. So that we can get a better understanding of your child's abilities, please don't restate directions, provide answers or clues, give indication of a correct or incorrect answer (nod, smile, etc.), or provide feedback to the teacher during the test (since many of the tests are timed). The teacher will provide this feedback to your child as needed and will make sure they feel reassured and successful. We ask that you please not screenshot or copy testing materials as they are copyrighted.

Fine Arts Schedule

Monday- None

Tuesday- P.E.

Wednesday- Art

Thursday- P.E.

Friday- Art

Important Dates

Monday, September 7th- NO SCHOOL

Happy Labor Day!

Friday, September 11th- Wear red,
white, and blue

Spelling Words to Practice:
am, at, sat, mat, Sam

Week of September
7th

What We Are Learning in Reading:

I am so excited to start our first story *Stellaluna* next week. We will identify story elements and use pictures to help describe characters. In phonics we will be working with consonants m, s, & t. In grammar we will focus on uppercase and lowercase letters in sentences. In writing students will be drawing the beginning, middle, and end of *Stellaluna*. They will also be writing about *Stellaluna* and mother bat's relationship.

What We Are Learning in Math:

We will continue with unit 1 next week. There will be no homelinks assigned yet. Students will be working on counting strategies, 1 more and 1 less, and comparing numbers. We will be cutting out number cards in their workbook on Thursday so please have some scissors handy. 😊

What Are We Learning in Social Studies:

We will start our first chapter next week. Students will be learning about how we get along at school. We will focus on topics such as listening, taking turns, playing fairly, and being a good sport.

Helpful Tip of the Week:
Practice kindergarten sight words
