

7th Grade Pre-Algebra

Mrs. Kash

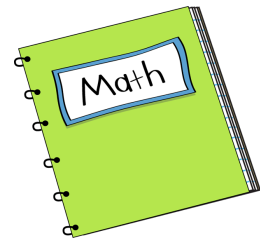

Topics:

Ratios and Rates	Circles
Proportional Relationships	2 & 3 Dimensional Shapes
Percents	Surface Area & Volume
Operations with Rational Numbers	Sampling
Decimals and Percents	Comparing 2 Populations
Equivalent Expressions	Probability
Equations & Inequalities	Compound Events
Angles	

Daily Supplies:

These supplies must be brought to class everyday:

1. Assignment Notebook
2. Folder
3. Spiral Notebook or 3-ring Binder
4. #2 pencils for all assignments (no pen!)
5. Expo Markers
6. Calculator
7. Digits Student Companion

Grading Policy:

- Homework should be neatly completed in pencil and turned in on time with work shown. No work, no credit!
- Students may retake assessments within one week as long as the following conditions are met:
 - o Student must have completed any missing assignments that are related to the chapter that is being assessed.
 - o Student must complete the "Assessment Retake Form" and have it signed by a parent as well as the "Correction/Reflection" form.
- Absent work is the student's responsibility. Assignments can be picked up during advisory in the folder at the front table. Each class has a designated folder that will have absent packets with the day written on it for which the student was absent.
 - Homework: 20%
 - In-Class Assignments: 30%
 - Assessments: 50%

Extra Help:

If help is needed on a certain topic/homework problem, please see me for extra help during advisory or schedule a time to meet before or after school. I am available before school at 7:50 a.m. and after school until 3:10.

Strategies for Success:

- Organization and completing homework assignments is key to the study of mathematics.
- Reviewing notes daily will help you remember the material that has been covered.
- Studying from your notes and graded homework assignments before a chapter assessment will improve your test scores. Schedule a time to see me for additional before or after school if needed.
- Check PowerSchool for your grade once a week.
