

Dixon-Kloiber Korner

November 11th ~ November 15th

Thank you to those parents who have signed up for conferences! We look forward to meeting with you and discussing your child's progress. If you haven't signed up for a parent teacher conference, there's still time!

Please make sure to sign up under 'Mrs. Kloiber' so that all of our conferences are under one name.

We will finish up Unit Two-Module A in ReadyGen next week! Your child will take his/her reading test (phonics, vocabulary, and comprehension) on Tuesday. He/she will complete this assessment independently. ☺ We will do the writing assessment on Wednesday & Thursday. We will start Unit Two-Module B the following week.

The kids earned another **Marble Party!!**

They would like to have a 'slime' party. ☺ We will make slime in class next week!

Phonics and Spelling (Unit Two-Module A)

We will continue working with r-controlled vowels
ar, or, ore, and aar.

Our test on U2MA-Lessons 6-10 words
will be next Monday, November 11th. ☺
Don't forget to practice your words at home!

Reading (Unit Two-Module A)

This module focuses on story structure as it pertains to reading comprehension. By the end of the module your child should understand that knowing the structure of a story helps the reader comprehend the text.

Don't forget to practice your vocabulary words (all) at home!

'Focus' words for Unit Two-Module A include...
college, bargain, spoiled, exchanged, absolutely, vanish.

Grammar (Unit Two-Module A)

We will continue working with compound sentences.
We will strive to include adjectives, verbs, and adverbs in our sentences.

Writing (Unit Two-Module A)

This module focuses on narrative writing as well as plot (beginning, middle, end). By the end of the module your child should understand that describing a character's actions, thoughts, and feelings enhances a story.

Math

We will continue Unit Four: Place Value and Measurement.

Science

We will start our unit on Engineering.
