

Dixon-Kloiber Korner

January 20th ~ January 24th

Terra Nova testing is next week. Terra Nova testing is a district wide assessment that will be completed in the classroom Tuesday, January 21st - Wednesday, January 22nd. Please make sure your child gets plenty of sleep and a good breakfast before coming to school! Your child is more than welcome to bring an extra snack to eat during our morning break each day too!

As always, attendance is very important...especially early next week! Tests can be made up but it will be beneficial for your child to complete his/her test in the most ideal classroom situation.

Please make sure your child arrives to school promptly too!

Due to Terra Nova testing, there will be **NO HOMEWORK** next week!!

Please continue reading and practicing math facts at home.

Phonics and Spelling (Unit Three-Module A)

We will continue working with long vowel a (*baby, mail, play*). Don't forget to practice your words at home (list labeled U3MA-Lessons 6-10).

Reading (Unit Three-Module A)

This module focuses on illustrations found in literary texts and specific features found in informational texts. By the end of the module your child should understand that illustrations and text features help them understand what they read.

We will continue learning about Susan B. Anthony. Our next story is titled, *Marching with Aunt Susan*. Don't forget to practice your vocabulary words (pgs. labeled 'Supporting Text') at home!

"Focus" words for Unit Three-Module A include... popular, honor, grateful, avid, wobbling, and strenuous.

Grammar (Unit Three-Module A)

We will be working with adverbs.

Writing (Unit Three-Module A)

This module focuses on research based writing and using multiple sources of information. By the end of the module your child should understand that using multiple sources makes research based writing stronger.

Math

We will continue Unit Six: Whole Number Operations and Number Stories.

Social Studies

We will spend time learning about Martin Luther King Jr.
