A PEEK AT THE WEEK

Reading: Today the students completed their close read of our first unit 3 selection entitled "Feathered Friend". While reading, the students were to be on the lookout for clues which would point to a theme for the story. Tomorrow we will look more closely at the story elements in order to arrive at a theme. On Wednesday we will work with the vocabulary words from the story. Their first My Perspectives test for unit 3 is Thursday. **I will post a Quizlet that they can use to review for the test on Tuesday. They should also use their close reading notes and the "Analyze Craft & Structure Worksheet" we completed in class together.** On Friday, we will go over persuasive techniques used in writing. This will be the focus skill for the next selection.

Wordly Wise: Today I assigned the Worldly Wise workbook pages. These are due tomorrow. On Thursday we will review by playing *Kahoot!*. The test is on Wednesday. **Reminder: I posted the Quizlet last week Wednesday. The students can use this at home to help them study each night before the test.**

L.Arts: Today we discussed comparative and superlative adjectives. Tomorrow we will complete another competition relating to comparative and superlative adjectives and then homework will be given. On Wednesday, I will introduce the culminating activity for adjectives. This will count as their final assessment for adjectives.
