

## Creating Context Clues #1 - ACC

*Definition, Synonym, Antonym*

Name#:

Block:

Directions: Using the words and definitions provided, you are to create 3 sentences for each word. You are to use the specific word in each sentence along with a definition, synonym, or antonym context clue. Underline the word used in each sentence and highlight the clues you create with it. USE YOUR NOTES TO HELP.

1. Word: **ENTREAT (v.)**
