Tuesday, February 18

- None

Wednesday, February 19

- Unit 3 Constructed Response

Thursday, February 20

- Unit 3 Multiple Choice Test

Friday, February 21

- Unit 12 Wordly Wise Test

A PEEK AT THE WEEK

Reading: Today we went over the unit 3 study guide. The unit 3 multiple choice test is on Thursday. The students can use the study guide to review the skills which will be tested as well as the Quizlet which was posted last week Friday. On Wednesday, the students will read two texts and write a one-paragraph constructed response. This is part of the unit 3 test as well.

On Friday, the students will start viewing a movie related to our technology unit. After viewing the movie, they will respond to our essential question: *Is modern technology helpful or harmful to society?* The students will be required to pull evidence from the movie to support their response.

Wordly Wise: We will continue working with our unit 12 words this week. The test will be on Friday. A Quizlet was posted last week Tuesday, which can be used to help the students prepare for their test.

L.Arts: Today the students completed the preposition competition. Tomorrow, I will announce the winners of our Grammar Zones simulation as well as introduce the adverb and preposition assessment. The students will have the choice to work with a partner or individually to write a poem using adverbs and prepositions. The students will have class time on Wednesday, Thursday, and Friday to complete the assignment. This will end our Grammar Zone simulation.

Birthdays

Happy birthday, Crue! - February 21
