

Addiction and Your Loved One ***Skills & Strategies to Help***

Wednesday, March 13
6 - 7 pm

Palos Health South Campus
Building A
Conference Room A
15300 West Avenue
Orland Park, IL

Register at 708.226.2300

FREE!

Learn how to address specific issues encountered when trying to help someone with excessive alcohol use, substance use or other addictions. Palos Behavioral Health professionals will demonstrate skills that encourage your loved one to choose recovery. Resources for treatment and support for those suffering from addictions—as well as for family members and friends—will be shared.

Presented by Cynthia Blanton, LCSW, and Janet LaForte, RN.
