Test Reflections & Corrections Form

1. Rate your overall effort in learning the math material prior to taking the original test by shading in the stars. (1 = no effort given, 5 = extreme effort given).

2. Did you turn in any homework assignments late or not complete any assignments for this Topic/Chapter Test? Circle either *Yes* or *No*.

Yes or **No**

If yes, explain why: _____

3. When you were confused this Chapter/Topic, what did you do? Check all that apply.

- | | |
|--|---|
| <input type="checkbox"/> I asked questions in class. | <input type="checkbox"/> I asked a friend for help |
| <input type="checkbox"/> I went to see Mrs. Lavey in Advisory | <input type="checkbox"/> I did not seek out help |
| <input type="checkbox"/> I went to MathLab | <input type="checkbox"/> I was not confused in-class or with any homework assignments |
| <input type="checkbox"/> I went to After School Study Club on Wednesdays | <input type="checkbox"/> Other: _____ |

4. How did you study for the original test? Check all that apply.

- | | |
|---|--|
| <input type="checkbox"/> I reviewed my math notes. | <input type="checkbox"/> I completed the Study Guide or Practice Test. |
| <input type="checkbox"/> I revisited my homework to review math problems. | <input type="checkbox"/> I did not study for this test. |
| | <input type="checkbox"/> Other: _____ |

5. What can you do in preparation for the next test, so you will not need to retake that test? Answer in complete sentences.

6. Complete the chart on the next page. Use loose-leaf paper, if you need additional space.

The only real mistake is the one from which we learn nothing. ~John Powell

Problem #	Redo the math problem correctly. Make sure to check your work.	Explain or show the mistake you made. <u>In addition</u> to your explanation, you may use the key below.

1- Computation Error (+, -, *, /)
 2- Copied something incorrectly

3- Misread the question
 4- Forgot a definition

5- I had/have no idea how to do this
 6- Absent from class
