Frequently Asked Questions

When do students receive their schedules?

Mailed the second week in August.

How are elective classes determined?

We try to give every student their first choice. Sometimes we have to give second or third choice due to scheduling conflict or class size.

Do students have a locker?

Yes, lockers are assigned and assignments will be on their schedules.

Frequently Asked Questions

How does physical education work?

Students receive PE lockers and are issued a combination lock.

PE uniforms can be purchased at walk-through or during PE the first week of school.

How do I keep updated on my child's progress?

Download the Powerschool app or login in on your computer.

Electronic midterms and report cards are sent each trimester.

Frequently Asked Questions

How do I contact teachers?

- Voicemail and/or email

How can I help my student transition to junior high?

- Encourage your student to communicate with their teachers.
- Encourage your student to get involved in activities.
