

Third Grade Times

Foghton Press

Nelson Prairie School

August 26, 2019

Reading

This week, our text collection story is “Location, Location, Location” and our trade book is *The Case of the Gasping Garbage*. We will also examine characters, temporal words and phrases, parts of stories and questions and answers.

Grammar

Our grammar skills are nouns as subjects, plural nouns, identifying verbs, and past tense verbs.

Phonics

Our phonics skill this week is short vowel sounds and VC/CV syllable pattern.

Spelling

We will review and practice the Lesson 1 -5 words this week. **Please see the “Spelling and Vocabulary Words” tab on my web page for the Lesson 1-5 spelling and vocabulary word lists.** *Spelling quizzes will be each Friday.*

Writing

The students will work on narrative writing. We will also begin a writing piece on our brown paper back “3 Things” activity that the students have been presenting on throughout the week.

Math

Our math skills this week include how to use the Student Reference book, a review of telling time and measuring lengths, rounding to the nearest 10 and 100, and telling time to the nearest minute. Math homework begins this week (Monday–Thursday). *Please check your child’s folder for the Unit 1 Family Letter on Monday.*

Science

This week, we will learn how to be scientific observers and about the scientific method.

Shout Outs

I had an amazing first week getting to know all of my students! They were extremely excited and eager! I appreciate your continued support at home and I look forward to getting to know each student and family this school year! ☺
