A PEEK AT THE WEEK

Reading: Today the students completed their first read of an excerpt from Brown Girl Dreaming. We also discussed characterization since this excerpt does a great job providing evidence for character traits. Since, this is our first whole-class text for unit 1, we will be completing the close read together starting tomorrow. I am going to stress the importance of highlighting and annotating in the text to the students again. The highlights and annotations will help the student prepare for their selection tests on the texts we read.

The Unit 3 project is well under way. Today the students were supposed to finish their Google slide presentations as well as their 3D model or picture. Tomorrow, they will work on taping the commercial for their innovation/invention and then the rest of the week they will work on their Shark Tank pitches and final presentations.

Wordly Wise: We are continuing unit 13 this week. Workbook pages were assigned today and are due tomorrow. We will take the test a day early due to Robert Crown.

L.Arts: We are taking a break from grammar to focus on the Unit 3 project.
