MESSAGE FROM THE SUPERINTENDENT

June 7, 2019

Dear New Lenox School District 122 Families and Community:

The end of the year is finally upon us. On Tuesday, I visited every building with one of our new Board members. Our halls were filled with such excitement as our teachers and students enjoyed their last few days together. Listening to the giggles and seeing all the smiles is an experience that cannot be put into words. It is quite clear that everyone in the District has embraced our theme for this last year and CHOSE JOY! As we toured each building, it was easy to brag about everyone and everything to our new Board member because there are so many positive and amazing people and happenings. I felt a deep sense of pride about the accomplishments of everyone in our school community.

It is my hope that you also share in my pride of our district. I, as well as all of our staff, continue to realize that our accomplishments are a result of our partnership with our parents and families. You share your children with us, and we do our best to enhance their lives and instill a love for learning and others within them.

As we spent time with your children this last month, we enjoyed hearing all their summer plans and seeing their excitement about summer vacation with their families. It is my hope that you enjoy these few summer weeks and find time to make some wonderful memories with your families. Hopefully, it will stop raining for a few days in a row!!!

Finally, it is a privilege to serve you, your children and our district. I truly have the best job in the world.

Enjoy your summer!

Peggy Manville
