## MESSAGE FROM THE SUPERINTENDENT

### August 15, 2019

Dear New Lenox School District 122 Families and Community:

Welcome to the start of the 2019-2020 School Year. As always, our entire staff is eagerly awaiting the arrival of your children. Our theme this year is LIVE YOUR LEGACY. This theme is designed to encourage all our staff members to fully embrace the privilege of making a difference in the lives of your children.

We begin the year with an invitation to all our expectation nights and/or open houses. These nights provide a great opportunity for our parents to meet the teachers and gain a better understanding of all the curricular and extracurricular programming throughout the District. Please refer to the District's website or your building newsletter for specific starting times for each building.

2. Transportation communication contacts have changed. Please view our website under "Parents and Students" and then "Transportation" for information regarding transportation inquiries.

Finally, as we begin our year, please do not hesitate to contact me with any questions or concerns. It is my goal to ensure that every question and issue is addressed.

Looking forward to a great school year-----
